### Chapter 1: Beginnings

The Liberator. He is a strange character to say the least. His sadistic mind and murderous ways make him a dangerous adversary. He is also very intelligent and always one step ahead. He is a serial killer. Many have died at the hands of 'The Liberator'. This is known because beside every victim, written in their own blood, is the phrase, 'I've finally been Liberated'. Detective Thomas Reynolds had been on the case for years. This is the account when he finally captures him.
